begun to bring sick people on their pallets to any place
heard he was. And wherever he came, in villages, cities
they laid the sick on the market places, so that at his
sight they might be healed. And he healed all of them.
And when he came to Caesarea Philippi, he said to his
disciples, "Whom do you say I am?" And he answered and
said, "You are the Christ, the Son of the living God."
And he answered and said to him, "Blessed are you, Simon
son of Jonah, for flesh and blood has not revealed this to
you, but my Father in heaven, for he has willed, and he
has chosen whom he wills. From now on, you are Peter,
and on this rock I will build my church, and the gates of
hell shall not prevail against it. And whatever you bind on
earth shall be bound on heaven, and whatever you loose on
earth shall be loosed on heaven." And he commanded his
disciples, "Do not tell this to anyone." And he said to
them, "Go into all the world and preach the gospel to all
creation. Whoever believes and is baptized shall be saved,
and whoever does not believe shall be condemned." And
he said to them, "I am the Son of Man, and I will sit on
the throne of David, and I will reign over Israel and the
nations of the world." And he said to them, "Whoever
wishes to be first among you must be last of all and
servant of all. For the Son of Man must be so
ransomed, that he may deliver many people." And he
went and taught his disciples in Caesarea Philippi.

*a fresh approach
to Bible study*

Manuscript Discovery - What is it?

Manuscript Discovery (MD) is a method of studying books of the Bible, at this camp it will be the book of 1 John. The book being studied is approached as a whole document - not studied verse by verse. In fact, the copy of the book you will use at Camp has no verse, paragraph or chapter divisions. This is why we call it a manuscript.

The MD method allows us to discover the overall meaning and purpose of the book being studied. This is done by searching the manuscript; looking for themes, style, structure and clues about the original readers. It is exciting to make such discoveries yourself and to know the book intimately! We also discuss how the message will impact our lives.

Discovery Camp

The primary aims of Discovery Camp are to:

- teach the MD method of studying the Bible,
- allow people who have had some experience of the MD method to refine their skills,

- allow time for thorough studying of a book of the Bible,
- allow time to relax in a Christian community.

Discovery Camp is a temporary Christian community where the support and care of each other is encouraged. This year it will run from 10:00 am Mon 27/12/1999 to 11:00am Sat 1/1/2000. The MD method works best in this environment, where people feel free to ask questions of the manuscript and to bounce ideas around their small group.

Each day we have three MD sessions in small groups; usually two sessions before lunch and one later in the afternoon. To break up the MD sessions, the Camp program also includes interesting

activities and plenty of free time. These are also sure to help you relax and unwind from the pressures of the past year. Discovery Camp is run at a rustic centre called 'Telford'. This is on the beautiful shores of Port Hacking in the Royal National Park.

Most people who come to Discovery Camp are in their 20s or 30s, anyone over 17 is welcome.

Discovery Camp has been an activity of the Anglican Youth Department, Diocese of Sydney for 21 years.
